Recently laid off?

Lost your job because of the economy?

## Don't stop your Y membership

## The Y can help!

In response to the recent downturn in the economy, since 2008, the Y offers a Membership Assistance Program to existing Y members who are out of work. If you have lost your **FULL-TIME** job and have been a member in good standing for the last six months, you may be eligible.

Interested members **MUST** complete a YMCA Assurance application available at the membership service desk. You'll need to include some documentation.

This program is being funded thanks to the generosity of those who contribute to the YMCA's Strong Kids Campaign- an annual appeal to raise funds to help those unable to afford the full cost of Y programs and membership.
