

THE POOL IS CLOSED

We apologize for the inconvenience.

We have a **NEW RESERVATION SYSTEM**
through the **MotionVibe App!**

Familiarize yourself with our new reservation system so you are ready to go when the pool re-opens.

MotionVibe**

Due to COVID-19, and state social distancing guidelines, we now have to limit the number of members in the building, and pool, at a time.

When the pool re-opens, you will be able to make a 45-minute reservation for lap swimming. Please shower before you come, as locker rooms and showers are closed at this time. We ask you to wear your mask before and after you swim, but you can remove it while in the pool. Please exit the building at the time your reservation ends, so we don't have an overlap. Thank you for your patience & understanding.
